

DigestTab®

Dietary Supplement

Digestive Support Essential Oil Blend with Calcium Carbonate

PRODUCT DESCRIPTION

DigestZen is one of dōTERRA's most popular blends due to its ability to aid in digestion, soothe occasional stomach upset, and maintain overall digestive health.* Now this incredibly effective blend is available in a convenient chewable tablet. DigestTab is a calcium carbonate tablet infused with DigestZen Digestive Blend to deliver the benefits of digestion—supportive essential oils as well as the acid—neutralizing benefits of calcium carbonate.*

CONCEPT

Calcium Carbonate

Calcium carbonate, which comes from natural mineral sources, helps maintain stomach acid balance by neutralizing excess acid in the stomach.* This helps relieve the discomfort caused by occasional acidity such as heartburn, indigestion, and flatulence.* This specially designed calcium carbonate is less chalky than many similar products on the market and much easier to chew and swallow.

DigestZen Essential Oil Blend

This unique blend contains Ginger, Fennel, and Coriander to help ease occasional stomach discomfort, including motion sickness and indigestion, while Peppermint, Tarragon, Anise, and Caraway aid with digestion and help maintain a healthy gastrointestinal tract.* DigestZen is a healthy, natural, and gentle way to soothe an occasional upset stomach or maintain a healthy digestive system.*

PRIMARY BENEFITS

- Specifically designed for individuals with sensitive stomachs.
- Combines the unique digestive benefits of calcium carbonate along with pure essential oils from plants traditionally known for providing soothing support to the gastrointestinal tract, including Ginger, Peppermint, Caraway, Coriander, and Anise.*
- A unique and powerful synergistic blend of natural ingredients designed to relieve occasional heartburn and indigestion, while promoting the overall health of the gastrointestinal tract.*
- Use with or between meals as needed, for relief from occasional stomach upset, indigestion, and heartburn.*
- Helps relieve occasional sour stomach.*
- Provides relief from the uncomfortable burning of occasional acid indigestion and helps reduce unwanted belching and bloating.*

CPTG Certified Pure Therapeutic Grade®

DIRECTIONS FOR USE

Chew one tablet as needed up to six times daily.

CAUTIONS

Keep out of reach of children. Do not use with other acid reducers. Ask a doctor or pharmacist before use if you are taking a prescription drug.

FAQS

Q: Is DigestTab® safe to take every day?

A: Yes, DigestTab is safe to take every day and there should be no safety concerns as long as the suggested use is followed.

Q: Can I take more than the recommended dosage?

A: Although DigestTab is safe and effective for soothing occasional heartburn and indigestion, we always recommend that you follow the suggested use on our labels. Consult with your qualified healthcare provider if you want to take more than the suggested use, or if you have any questions regarding your individual condition.

Q: How quickly can I expect to feel the benefits?

A: Typically, the benefits of DigestTab will be experienced within 30 minutes after consumption, although each individual is different and results may vary.

Q: Can I take DigestTab with other DigestZen® products such as Zendocrine® or DigestZen Softgels?

A: Yes, there should be no problem taking DigestTab with other DigestZen products.

Q: Can this product be considered GMO-free and gluten-free?

A: DigestTab is free of genetically modified material and does not contain gluten.

Q: Is DigestTab vegetarian-friendly?

A: Yes, DigestTab is considered vegetarian-friendly.

Q: How many drops of DigestZen oil blend are in each tablet?

A: Half of one drop.
